Hastings, Dr. Charles J — Review of Univ. Settlement Rooms by Board of Health — Feb. 1915

CHAS. J. HASTINGS, M.D.
MEDICAL OFFICER OF HEALTH

Toronto.

February Twenty-Second,
Ninteen and Fifteen.

Robert Falconer, Esq.L.L.D.,
Pres. University of Toronto,
Toronto, Ontario.

My dear President Falconer:

Replying to your communication of Feb. 18th. which was a reply to my inquiry in regard to the further use of the rooms in connection with the University Settlement, I beg to say that there would be no objection whatever to these rooms,even though we re-furnished them, being used by your Board at any time in which they were not in use by our nurses.

Thanking you for your personal willingness to co-operate, believe me

Sincerely yours,

CJH/RM.

Chas. J. Hastings

Medical Officer of Health.

February 18th, 1915

Dr. C. J. Hastings,

Department of Public Health,

City Hall, Toronto.

Dear Dr. Hastings:

I shall be glad to lay your letter before the Board of the Settlement at a meeting which I hope may be held next week or shortly after that. I should think that our Board would be glad to continue to allow the Department of Public Health to use rooms in our building as it has done in the past. The only possible objection that I would see is in allowing them to be refurnished by the Board of Health, for in that case the Settlement might feel that it had no right to use them for its own purposes when they are not required by the Department of Public Health, and I am afraid that our accommodation in the Settlement is not large enough to h hand them over to the exclusive use of the Department of Public Health. However, that is a matter of which I will speak to the Board, and let you know as soon as I can.

Yours sincerely,

President.
